Dear Parents and Carers

Academy Status for Kineton High School

Many thanks to all those parents who commented on or participated in discussions about our proposed conversion to new Academy Status.

We have now received an Academy Order from the Secretary of State for Education which means we can proceed to the next stage of the process. While the Governors await confirmation of the funding arrangement for Academies due early in the New Year, they have agreed to proceed with the next stage so that we are poised for conversion when the time is right.

We will keep you fully informed of all developments.

Yours sincerely

Julia Morris
