13th October 2011

Dear Parents

Re: Ofsted Inspection 28th & 29th September 2011

We have just received the final report following the inspection which took place earlier this term. I am delighted and very proud to inform you that Ofsted judged us to be a good school overall with attendance, safeguarding and our capacity for sustained improvement judged as outstanding. Everything in the report is graded as good or better.

The inspectors described us as a good and rapidly improving school. Attainment has improved significantly since the last inspection and students make good progress. The school, they say, has established a culture where it is cool to succeed, to play hard, to give of one's time and talent, and to take the lead. The good curriculum plays a substantial part in ensuring students succeed and enjoy a wide range of opportunities. The sixth form provides good quality of education for its students.

I will leave you to read the attached letter from the lead HMI summarising the main findings. The full report can be accessed via our website (www.kinetonhighschool.org.uk) and, from next week, via the Ofsted website (<http://www.ofsted.gov.uk/reports/>). If you would prefer us to supply you with a paper copy of the full report please let us know by telephone or email or by returning the attached slip to the school office.

We are very pleased with the outcome of this inspection which reflects our own self-evaluation and endorses the plans we have for the future development of the school.

Do not hesitate to contact me, see me at Parents' Evenings, or drop into "Surgery" if there is any aspect of the report you would like to discuss.

I look forward to continuing to work in partnership with you now and in the future, as we build on this very positive inspection.

Yours sincerely

Julia Morris

OFSTED Inspection
28th and 29th September 2011

Please send a copy of the inspection report to:

Name of Parent / Guardian

Address

.....

.....

Name of Student Form

Please return to The School Office, Kineton High School,
Banbury Road, Kineton CV35 0JX

This letter is provided for the school, parents and carers to share with their children. It describes Ofsted's main findings from the inspection of their school.

30 September 2011

Dear Students

Inspection of Kineton High School, Warwick, CV35 0JX

Thank you for making the inspection team so welcome at your school. We all enjoyed talking with you and you helped us to find out about your school. You go to a good and rapidly improving school. Some of its work is outstanding. The staff work well as a team and have achieved many improvements. Here are some good things we found out about it.

- The school is a calm, pleasant and orderly environment.
- The school promotes a trusting ethos, where concerns can easily be shared.
- Staff know each student well and work hard to care for and support you.
- You enjoy school, feel safe and behave well. The school makes outstanding arrangements for your safety.
- Your attendance has improved and is outstanding.
- The school provides good support for students whose circumstances make them vulnerable, and close attention is paid to their needs.
- The school's specialist status in sport brings you many benefits and provides a wide range of leadership opportunities which many of you take up.
- Teaching is consistently good, and an increasing amount outstanding.
- You make good progress while at the school and GCSE results have improved significantly. In English you make outstanding progress.

We have asked the school to make the following improvements.

- Raise achievement in mathematics to the high levels seen in English.
- Ensure that the revised provision and support for students with special educational needs and/or disabilities who are at 'school action' leads to more even progress across subjects and over time for all students.

We wish you all the very best in your studies and every success in the future.

Yours sincerely

Davinder Dosanjh
Her Majesty's Inspector
