Dear Parent/Carer

For the past three years, we have run a successful residential during the summer term at Knapp House in Crediton, Devon. We are now inviting all Year 9 during Enrichment Week 2012, from Monday 2nd-Friday 6th July 2012.

Knapp House is set in 60 acres of farm land, which encompasses gardens, woodlands and fields. Students will have dormitory style accommodation in various sized rooms. The House is well equipped to cater for student's needs and the price of the residential will include:

- Travel to and from the centre
- All activities during the day
- Use of specialist equipment
- Evening entertainment
- Three wholesome main meals with plenty of choice
- Indoor activities
- Heated swimming pool
- Student use of the on-site shop
- Insurance

This centre is family run with competent qualified instructors. Meals en-route to the centre and spending money are not included. The range of activities are chosen from a varied menu including climbing, aqua-fun, beach games, challenge course, water-ski-ing, coastal walk, low and high ropes, canoeing, surfing, map challenge, orienteering, parachute games, raft building, swimming, team games, and zip wire. Some of these activities will take place on the local beach which is a five minute drive.

The cost of £330.00 can be paid in full or by instalments and is based on at least 50 members of Year 9 participating. If you would like to reserve a place for your child, I would be grateful if you can return an initial £60 deposit by Tuesday 1st November at the latest. This initial deposit is non-refundable.

Five further payments are needed and are also non-refundable once they have been paid.
