

May 2010

Dear Parents

School Fund

Each year we ask parents to donate a nominal amount to our "School Fund". These monies are kept separately from our delegated budget and are used to purchase additional resources to enhance learning opportunities at KHS, as well as occasionally subsidising trips and activities, particularly for families in times of hardship. This fund makes a real difference to the quality of working life for students. Over the last year we were able to contribute to the school's stage lighting system and make other improvements to the students' social areas.

This year we are asking each family for a voluntary donation of £20.00. Donations can be made via our online system (www.parentpay.com) and returning the completed reply slip to school as soon as possible. Alternatively you may pay by cash/cheque (payable to Kineton High School) or by standing-order.

Gift Aid

If you are a UK taxpayer, your donation will be significantly increased to the school, at no extra cost to you, if you tick the Gift Aid box on the reply slip and complete your address details with postcode. This will enable the school to claim tax against the sums donated.

Thank you for your support.

Yours sincerely

Julia Morris

KINETON HIGH SCHOOL
